# HILLSBOROUGH'S OLDEST PUB

The Hillside is a charming, rustic pub situated in the historic Georgian village of Hillsborough, County Down, only 15 minutes' drive from Belfast city centre.

The Hillside first opened its doors to patrons in 1752 and has been enjoying a busy trade ever since thanks to our excellent food and drinks selection and our friendly, welcoming service.

We are renowned for our roaring open fires in the winter and our pretty cobble-stoned beer garden in the summer.

## WHISKEY EVENTS

---

We host regular Whiskey Nights with guest ambassadors from local and regional distilleries. During these events, guests receive a brand ambassador talk exploring their brand history, flavour profiles and distillery process. Best of all, attendees will be offered a range of whiskey samples to taste accompanied with nibbles.

Please ask a member of staff if we have any up-and-coming events planned for the future.
